Thursday May 12, 2011

Time	Hall	Main Hall	Hall 1	Hall 2	Hall 3	Hall 4	Hall 5
Session 20 Chairmen		Potgieter A., Cribier A., Mirhosseini M., Karimi A., Omrani GH.	Nursing Session N11	Session 23 Echocardiography Session Samie N. Saheljam M. Saeidi J. Esmailzadeh M. Invited Lecturers: -Kapetanakis S.(UK) -Salehi Omran A.(KSA) & Abstract Presentation	Session 25 General Cardiology Session Samavat T. Sancii H. Dehghani M. Barzegar A. Invited Lecturers: -Shafazand M.(Sweden) -Etemad M.(Austria) -Torkan .(Iran) & Abstract Presentation	Cardiac Physiotherapy session R9	Cardiac Rehabilitation session R11
14:00-14:30	-TAVI: The Novel Approach to treat Severe Aortic Stenotic patients Cribier A.(France)						
14:30-15:00	-Evolution of congenital heart surgery: lessons to be learnt Lecompte E.(France)						
15:00-15:30	-General overview of antenatal cardiology Cohen L.(France)						
15:30-16:00	-The AMI challenge in the 21st century Potgieter A.(Belgium)						
16:00-16:30	-TAVI v/s surgical AVR for high risk Aortic stenotic patients: partner result. Cribier A. (France)						
Session 21 Chairmen		Pourmoghaddas M., Heidarpour E., Mohebbi A., Firouzabadi S.H., Sadre Ameli M.A.	Nursing Session N12	Session 24 Interventional Cardiology Session Maadani M. Azimzadeh B. Sadr Bafghi M. Pourhosseini H.R. Invited Lecturers: -Wam S.(USA) -Himbert D.(France) & Abstract Presentation	Session 26 Cardiac Surgery and Heart failure Session Khamooshi A.J. Ahmadi H. Panahipour A. Invited Lecturers: -Oto O.(Turkey) -Leprince P.(France) -Skorpil J.(Czech) & Abstract Presentation	Cardiac Physiotherapy session R10	Session 27 Congenital Heart Diseases Session Mehranpour M. Navabi M.A. Baghaie R. Sadeghpour A. Invited Lecturers: -Salehi Omran A.(KSA) -Mohiaddin R.(UK) -Cohen L.(France) & Abstract Presentation
16:30-17:00	-Strategie for Cardiovascular disease prevention and control: Experiences from Iran Sarrafzadegan N.(Iran)						
17:00-17:30	-The role of Echo in selecting patients for CRT Kapetanakis S.(UK)						
17:30-18:00	-Evidence-based medical therapy for vasovagal syncope Sheldon R.(Canada)						
18:00-18:30	-CMRI and CT in coronary artery disease- the right technique for the right patient Herbert F.(Austria)						
Session 22 Chairmen		Akhlagh Moayyed, Bazargani N., Zubaid M., Farsad F., Khosravi A.	Sanofi Aventis Satellite Symposium				
19:30-19:50	-Clopidogrel for the ACS patient: Achieving better outcomes with new dosing Zubaid M.(Kuwait)						
19:50-20:10	-Clexane and ACS management: New approach to standard treatment Bazargani N.(UAE)						
20:10-20:30	-Primacore review on practice (Kashani, S.)						
Dinner							

Friday May 13, 2011

Hall Time	Main Hall	Hall 1	Hall 2	Hall 3	Hall 4	Hall 5
Session 28 Chairmen	Mehranpour M., Firoozi I, Arefi H, Shabestari M, Tabatabaei A.H.					
08:30-09:00	-Current evidence for PCI in Left Main Disease: Interventionist perspective Aminian B.(Iran)	Nursing Session N13	Nursing Session N15	Cardiac Rehabilitation Session R12	Cardiac Physiotherapy Session R14	Nursing Session N17
09:00-09:30	-Current evidence for CABGS in Left Main Disease: Surgeon perspective Amirghofran A.(Iran)					
09:30-10:00	-Survival Trends In Men and Women with Heart Failure of Ischaemic and Nonischaemic Origin Shafazand M.(Sweden)					
10:00-10:30	-Hybrid procedures for complex Cardiovascular Diseases; -Interventionist perspective Kasaeian E.(Iran) -Cardiac Surgeon perspective Abbasi (Iran)					
Session 29 Chairmen	Azarnik H., Hashemi M., Kazemisaleh D, Tabandeh M., Givtaj N.					
10:30-11:00	-Mitral Valve Repair Tabandeh M.(Iran) Hosseini S.(Iran)	Nursing Session N14	Nursing Session N16	Cardiac Rehabilitation Session R13	Cardiac Physiotherapy Session R15	Nursing Session N18
11:00-11:30	-Percutaneous Endovascular Aneurysm Repair (PEVAR): Role of Interventional Cardiologists Arjomonad H.(USA)					
11:30-12:00	-To be announced					
12:00-12:30	<i>Closing Remarks</i>
